

2020 International Children's Games

Kecskemet, Hungary

Little Athletics Tasmania, is seeking early expressions of interest from athletes registered with Little Athletics Tasmania to participate in the 2020 International Children's Games.

The 2020 Games will be held in Kecskemet, Hungary. At this point in time we have no further details regarding the levy or the date however previous games have been held in the month of July.

Completing this form is an expression of interest only and not an obligation to attend.

In line with previous International Children's Games participation, we will be fundraising to reduce the cost to athletes. Following is important information for you to consider prior to completing your Expression of Interest form.

Number of Athletes

Where possible, two teams of 12 athletes per region (12 from both Hobart and Launceston), will be selected to compete in the International Children's Games 2020. Note that approximately half of the available spots have already been filled by athletes originally selected to go the 2019 International Children's Games (these athletes do not need to re-apply).

Initial Eligibility and Important Dates

All registered Tasmanian Little Athletes born between 1st January 2005 and 31st December 2007 (ie those that will be Under 13, 14 or Under 15 in the upcoming season) are eligible for selection. The third round of Expressions of Interest will close on Friday 11th October and it is expected that offers of places should be sent out on Friday 18th October. Athletes receiving offers will have 4 weeks to accept or decline the offer of a place.
