

# ANNUAL REPORT 2019

## Background

The Tasmanian Little Athletics Association comprises 19 Centres throughout Tasmania. Our objective is to maximise the involvement of 3 to 15 year olds in regular, healthy, outdoor activity that promotes fitness, enjoyment and low key competition.

The basic philosophy of Little Athletics is to provide fun, fitness and family involvement for children in sport by making the activity attractive to participants of all abilities regardless of athletic experience or potential. The notion of progressive improvement through achievement of personal best performance is promoted to emphasise that no matter what position an athlete obtains in an event, they can achieve personal success by improving their own result.

The first meeting of the Tasmanian Little Athletics Associating was held in Launceston in August 1973 with a total pf 394 athletes registering for the first season in 1973-1974.

Little Athletics continues to grow in membership and develop athletes across Australia. As a foundation for all sports, those participating in Little Athletics have been recognised across many fields in the sporting arena.

# Values – Mission - Purpose

*To develop children of all abilities by promoting positive attitudes and a healthy lifestyle through family and community involvement in athletic activities.*

*To provide a structured and transparent pathway for the development of athletic skills of young athletes in a fun and family friendly environment.*

*We always behave with honesty and integrity*  
*We work together, respect each other and value our diversity*  
*We strive to deliver an outstanding product to our members*  
*We promote a culture of family fun and fitness in our programs*  
*We conduct our activities in a healthy and safe environment*

## Little Athletics Tasmania

Board of Management

Reports

## Presidents Report

### MEMBERSHIP

The past season was very challenging for Little Athletics in Tasmania. We continue to face the big challenge of declining membership. With the sporting environment being more competitive than ever in terms of choices, it is becoming increasingly challenging for us to increase membership numbers. This is a challenge that we will all need to work on together. Whilst our Development Officer, Josh, will obviously play a major part in trying to increase membership numbers, it is also essential that Centres look for opportunities to attract new members and also to seek strategies to increase their retention rates.

### AGE GROUP ALIGNMENT and ON TRACK TRIAL

2018/2019 saw the first year of the new Age Group Alignment. Based on a survey that we carried out at the end of the 2017/18 season, it is likely that this may have contributed to the decrease in membership numbers. We hope that now that 12 months have passed that athletes have settled into their new age groups and it will be less of a disruption moving forward.

Three Centres, North Launceston/White City, Burnie and Huon Valley trialled a new product for our Under 6 to Under 8 athletes – On Track. The feedback from these Centres was positive and we now await confirmation from the National body on how this program will look going forward.

### INTERNATIONAL CHILDREN'S GAMES (ICG)

In 2020 (likely July), Little Athletics Tasmania will be sending two teams - Launceston City and Hobart City, to compete in the 2020 International Children's Games being held in Kecskemet, Hungary.

Due to some unfortunate circumstances the trip that was initially planned for 2019 to Ufa, Russia was cancelled. A number of athletes that had been selected to go to Russia will instead head to Hungary next year and an invitation has been extended to other athletes that will be Under 14 or 15 this coming season to fill the remaining spots.

Ideally, both teams will be made up of six boys and six girls, with a Team Manager, Coach and Head of Delegation accompanying each team.

The ICG is a wonderful opportunity for the athletes to compete against other athletes from all over the world and experience different cultures.

### GOVERNMENT RELATIONSHIPS

We continue to have a strong partnership with the Tasmanian Government. We are fortunate to again, to receive funding through the Communities Sport and Recreation Major Grants Program. Our key performance indicators and reporting requirements are focussed on participation, inclusion, coach and official development, communication and marketing. LATas has developed a marketing and communications strategy with clear vision of marketing of our sport, and communicating to the broader community, and in turn increase participation.

Areas of marketing include, but not inclusive to – our coaching clinics, delivery of our LAPS program into primary schools, paid television advertising, paid radio advertising, LAA promotional material, instore McDonald's promotion, social media, website, and the attendance by our Development team at various forums.

## SPONSORSHIP

We have always had great support from our sponsors, and I thank Coles, McDonald's, Department of Sport and Recreation, RACT, JustWaste Consulting, Nordic Sport and Accolades Awards.

We are in the process of negotiating new agreements with each of our sponsors and also have 2 new potential sponsors that we are hoping will come on board and support Little Athletics.

LAA have previously given advice that the following are out of bounds for States to seek sponsorship support through – grocery, banking, telecommunications, travel and airlines. Accordingly, this also applies to Centres and we ask that you refrain from seeking support through those areas mentioned.

## COLES LITTLE ATHLETICS AUSTRALIA (LAA)

In April this year, LAA adopted it's new Constitution and Board structure that now operates with an independent Board rather than a Board consisting of State Presidents. This is a positive move forward to a more modern structure. LATas has commenced a review of it's own Constitution with assistance from Ferdie Kroon and will continue working on this over the next few months.

## COLES AUSTRALIAN LITTLE ATHLETICS CHAMPIONSHIPS (ALACs)

We had the pleasure of hosting ALACs this year and whilst the weather did play a little havoc and present some challenges for organisers,

competitors and spectators, overall the event was a tremendous success. The Tasmania team put in a fantastic performance to not only beat out ACT for the Dick Healey Trophy but also defeat all states to claim the Alan Triscott handicap trophy for the first time since 2010.

Congratulations and thank you is extended to the event Convenor, Garry House and his convening team of Marty Doyle and Roger Hosie. I also take this opportunity to thank all the officials and everyone else that assisted in some way. A lot of people contributed to making the event a success and you should all be proud of what you achieved.

## LATAS BOARD OF MANAGEMENT / STAFF / VOLUNTEERS

I would like to sincerely thank my fellow Board members, Garry House, Brett Gillow, Kaelene Crossingham and Stephen Ahern for their dedication to ensuring that we continue to offer such a wonderful product to children in Tasmania. Obviously having the President resign in difficult circumstances during the season was not ideal but the rest of the Board have stepped up to fill the void.

Sadly, former Competition Director, Peter Weldon passed away this year after a long battle with illness. His contribution to Little Athletics in Tasmania was immense and he will be greatly missed by all that had the pleasure of knowing him.

In the office, Tracy has continued to grow into the position of Administration Officer and has been a valuable resource for many of our Centres. This role can be extremely difficult at times, often reliant on information from third parties to enable her to complete tasks.

Josh Mason did a wonderful job in the role of Development Officer. He has established good contacts with the schools and is already well into planning for the upcoming season.

Former Board Member Roger Hosie was again appointed as our Ex-Officio CEO to represent LATas at National Senior Management meetings and forums, and other delegated meetings; and to provide expert advice, feedback and recommendations following his attendance at such meetings. I thank Roger for generously donating his time to this position.

Thank you to all the board and staff for your continuing support and dedication to Little Athletics.

We are all indebted to the large numbers of volunteers, coaches, officials, club, and centre executives who have put in numerous hours to support Little Athletics. We gratefully acknowledge and thank you all, as without you, we do not have a sport. Do not underestimate your value, and I urge you to continue to bring others along with you. All too often we tend to rely on the few. Encourage succession planning and spread the load. The more we do this, the more we can continue to grow as a successful and sustainable sport.

I'm very proud to be to a part of Little Athletics Tasmania and I looking forward to working with my fellow board members and staff to grow and improve this fantastic sport that we are all involved with for the betterment of our athletes and their families.

I take this opportunity to wish you all success for the upcoming season.

**Brett Johnstone**  
President  
Little Athletics Tasmania

## Finance Directors Report

The preparation of the Financial Budget as in previous years set the bench mark for our financial performance.

Although our audited accounts show that we have had a solid financial performance, it has to be remembered that we have significant cash flow (outwards) prior to the commencement of the next Season.

We have been trialling MYOB this year with assistance from the Office. It is certainly a learning curve as MYOB accounts for receipts and payment on a GST exclusive basis, where we budget on a cash basis

It should also be remembered that our audited accounts are shown excluding GST and are based on an accrual method of accounting, whereas we operate under a cash basis in our normal operations.

Outstanding State Team Expenses, State Conference, Board Conference, Registration Materials, LAA Insurance, LAA Admin fees, Office Salaries and Hobart ALAC Expenses have to be paid before October.

I have also attached a schedule showing our Cash Performance against Budget.

**Income** was over Budget by \$13000, of which \$24000 came from LAA Coles funding , \$10000 from the sale of our Van . Unfortunately we had a reduction in Membership of \$17000 and a reduction of Championship fees of \$12000

**Expenses** were over Budget by \$36000 . Quite a few variables contributed to this, however the largest one was for the van purchase \$42k.

## INSURANCE

### Equipment

The LAA policy continued during the year, and once again the premium cost was covered by the TLAA and not passed onto the Centres.

This premium covers Centre Equipment up to \$75000 and any additional cover is at the Centre's cost.

I ask that all Centres continually review your amount of Cover, and continue to minimise your exposure by ensuring that all equipment is securely stored and valuable items such as PA systems, timing machines etc are stored at private residences in the off season.

*Please note that it is a requirement of our Insurers that Centres supply the Association with a full list of Assets each year, complete with cost of replacement.*

### Personal Injury

As last year , I once again remind Centres of the procedure in relation to Injuries at Centre Competition.

- For minor injuries at a Centre (e.g first aid) should be recorded in the Centre First Aid Register.
- For injuries that Centres feel that it may lead to an Insurance Claim (e.g breakage) Form TLAA18 is to be completed and forwarded to me. This form is then used as evidence that an injury occurred, in the event that a formal claim may be made on our Insurers at a later date.
- If a Parent wishes to lodge a claim, then the Sports Personal Accident Form (which can be obtained from the LAA Website) is to be completed and signed by the Parent, signed by the Centre, and then forwarded to me for endorsement, and then will be forwarded to our Insurer.

## Summary

A reasonably good year financially for the TLAA, but as stated earlier in this report, we still have a significant amount of outstanding expenses since the balance date of the 31<sup>st</sup> March.

Registration fees together with other charges for next season will, as usual, be reviewed at Board Conference.

As part of my duties as a Board Member this year, I have also been involved in the Coaching Camp as Convenor and a member of the State Team Selection Panel, plus the Convenor of the 2019 ALAC's in Hobart.

I wish to sincerely thank Centres, my fellow Board Members, the Office, and my wife Anne for the support given to me during the Season.

Finally, I thank you all for allowing me the opportunity to serve our great organisation.

Garry House

Finance Director FIPA FFA

**INDEPENDENT AUDIT REPORT TO THE MEMBERS  
OF TASMANIAN LITTLE ATHLETICS ASSOCIATION INC  
FOR THE YEAR ENDED 31 MARCH 2019**

**To the members of Tasmanian Little Athletics Association Inc**

We have audited the accompanying financial report, being a special purpose financial report, of Tasmanian Little Athletics Association Inc which comprises the balance sheet as at 31 March 2019, the profit and loss statement for the year then ended, and the notes to the financial report.

**The responsibility of the Committee of Management for the financial report**

The Committee of Management are responsible for the preparation and fair presentation of the financial report and have determined that the accounting policies described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the financial reporting requirements of the Associations Incorporation Act (Tasmania) and the needs of the members. The Committee of Management's responsibility also includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report so that they are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

**Auditor's responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance as to whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Association's Committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the Committee of Management financial reporting responsibilities under the Association Incorporation Act

(Tasmania). We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Independence**

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

### **Qualification**

It is not practicable to extend our audit examination of income beyond verification of the amounts recorded by the Association. Our audit relating to these transactions is therefore limited to the amounts recorded in the books of account.

We have not verified the existence of Plant & Equipment which has been recorded in the audited financial statements at Committee of Management valuation.

### **Qualified audit opinion**

In our opinion, except for the effects on the financial report of above the qualifications, the financial report presents fairly in accordance with the accounting policies described in Note 1 to the financial report, the financial position of Tasmanian Little Athletics Association Inc at 31 March 2019 and the results of its operations for the year then ended.

Dated at Hobart this *6<sup>th</sup>* day of June 2019

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 31 MARCH 2019**

---

**1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounts have been prepared under historic cost convention and have not been adjusted to take account of the current costs of specific assets or their impact on the operating results. Unless otherwise stated the accounting policies adopted and described below were also used in the preceding period.

**DEPRECIATION**

Depreciation is calculated on a prime cost basis so as to write off the net cost of each asset during its effective working life.

**FIXED ASSETS**

Plant and equipment are stated in the accounts at cost and depreciated in accordance with the policy stated. No regular review to net current values is undertaken. During 2019 a thorough review was undertaken. After additions and disposals for the year, a reconciling adjustment was made to the Profit & Loss Statement. Realised or gains on the disposal of the plant are taken to account in the income and expenditure statement when they occur.

**GST**

The association reports on a cash basis throughout the year, however the annual financial accounts are recorded as GST exclusive.

## Development Directors Report

Little Athletics Tasmania is committed to continually finding new ways to develop our sport across the State. Whilst for the second year in a row we have had a decline in membership, with most Centres experiencing some decline, we feel Little Athletics is still well placed to consolidate and grow into the future. LATas will do everything in its power to positively promote our brand and draw athletes to our sport but we also need the assistance of Centres who are at the coal face. When the opportunity arises at clinics or major events it is your chance to get your Centre out there in front of perspective families and promote our product. Little Athletics as a brand will draw perspective families in however it is up to the individual Centres to do the final sell. If any centres need assistance or advice that is what we are here for so please do not hesitate to contact us. In saying this the Board of Management will also be reviewing at our annual Board conference how we promote the sport and if there are better ways, we can be doing to achieve results. This may include but not limited to; promotion of the sport and the mediums used, structure of meets within Centres, providing more opportunities for parents/ guardians to be involved. These are just some of the items that will be discussed at our Conference in a few weeks' time.

### OFFICIALS COURSES

At the beginning of the season we ran a 1 day officials course for both Track and Field which was very well attended in the north. It is likely we will look to do this again in the lead up to the season to assist Centres in getting parents trained up and prepared. It becomes more difficult to run them once the season is underway but if numbers warrant, I am happy to visit Centres on weeknights or weekends to run these courses as I did for Burnie this season.

Thank you to both Brett Johnstone and Roger Hosie who also runs courses in the South of the State. Please keep your eye out for dates and if any Centres would like us to run an officials course for them please contact the office and we can arrange a time that suits.

### ON TRACK

This year we had 3 Centres trialling a new national program called On Track which is aimed at our Under 6 and potentially under 7 athletes. The program is a 10 week skill development program based on developing these children's gross motor skills, co-ordination and fundamental skills for introductory into athletics. Each session goes for 1 hour and is not designed to replace competition but instead coexist and assist in the development of all children creating a more positive experience.

Nationally there was some great feedback about the trial which will be extended moving into next season. We are just waiting for final details but will send them out as soon as we know more. Thanks to Josh for working with the Centres involved to get this up and running.

Finally thanks to my fellow Board members for their support throughout the year. Many hours are given up by all Board members for the benefit of all our members and future members, so I thank you for your support and generosity.

Brett Gillow

Development Director

## Education Directors Report

In November 2019 I accepted the nomination to step into the role of Tasmanian Little Athletics Education Director, after our previous education director was unable to continue. In the middle of a move from St. Helens to Launceston and recently relinquishing my role as St. Helens Little Athletics Centre President, this position seemed a logical choice for me. With a background in education and a passion for providing opportunities for children and adults I was excited to begin my new journey.

What a year it has been and such a steep learning curve. Never did I realise the amount of work that goes on behind the scenes. Picking a year when ALACs was held in our state and with big changes happening within the committee, it has probably made it a bigger challenge than what I was prepared for. Even co-ordinating the medal presentation at ALACs and commentating has certainly put me through my paces and out of my comfort zone. However the journey has been one of excitement and enjoyment regardless of the many times I felt I did not know what I was doing.

Mini projects that have been started but are not yet completed this season include a state data base of officials, creation of an officials Facebook page to share information amongst officials and recognition for officials in Tasmania through a certificate endorsed by Little Athletics Tasmania.

A large majority of the Educator's role happens in the off season of Little Athletics which is currently commencing now. We have recently held a planning session with our Development Officer Josh Mason, Development Director Brett Gillow and President Brett Johnson and I am very excited to see some of our ideas, athletics promotions and skills clinics come into fruition. Covering the needs in education for small rural centres to our large urban ones, pose many challenges when money is tight and resources limited but we hope our plans will enable centres to build upon their current structures and grow to

provide what is needed for each individual club to continue to move forward.

Three areas that are a key focus for the upcoming season are:

- 1) Ensuring that all clubs have access to coaches and building the capacity of our current coaches.
- 2) Providing more opportunities to upskill our parents and volunteers to officiate at both club/centre and state level. Volunteers are our future but they need education and support to do this well.
- 3) Ensuring that athletes are part of inclusive clubs and that athletes are given appropriate support in their transition into the next age groups. We want to ensure ALL athletes have an opportunity to do this through clinics, club training and skills sessions throughout the year.

We are very excited that we have received a grant for \$4500 which will be used to provide a Level 1 Coaching Course in October through Athletics Australia in both the North and South of the state. We will be sending out an expression of interest in the very near future.

On a final note, a huge thankyou goes to the current Little Athletics Tasmania Board of Directors for taking me under their wing and providing their time and assistance to not only make me feel welcome but to support me stepping into this role. A huge thank you for your patience as I feel I now have only just really found my feet.

I am very much looking forward to working with the centres and their education directors around the state in the up-coming 2019/2020 season and ensuring that Tasmania is getting the best education for its athletes, officials and volunteers.

[Education Director](#)

## Technical Directors Report

This is the first of my reports as Technical Director and, up front, I would like to thank the Little Athletics Tasmania community and specifically my fellow Board members as well as the staff for their support during the year. It has been a difficult time with the Board being one person down for most of the year.

I have spent a lot of time reading rules and regulations as well as completing many, many official's accreditations to build my knowledge base as quickly as possible. I have enjoyed the challenge of learning my role as well as trying to understand how the Clubs, Centres and Affiliated Associations operate and intertwine.

It has also been a year of transition for the National Technical Committee as it awaited the outcome of the new Little Athletics Australia Board structure and appointment of a CEO. It is only starting to become clear that the National Technical Committee still has a very important part to play in the continuing development and oversight of the rules and regulations.

The Little Athletics Australia Board of Directors agreed that the National Technical Committee can make recommendations within their terms of reference which would then be provided to the CEO for approval or otherwise. If the CEO questions a recommendation(s) that the National Technical Committee puts forward, it will then be sent to the Little Athletics Australia Board of Directors for a final decision.

Without question, the highlight of the year for me was hosting the Australian Little Athletics Championships in Hobart. It was made even more special with the selection of my daughter in the team and the team winning the Dick Healey and Alan Triscott trophies. Some everlasting friendships and memories were made over the two days.

Brand new throwing implements were provided for the Australian Little Athletics Championships. These javelins, discuses and shot puts are now in the custody of Little Athletics Tasmania for use at future state meets.

In addition, during the year, Little Athletics Tasmania made several equipment purchases in order to give the athletes the best opportunity to perform at the best of their ability. These purchases included:

- 2 new 400g competition quality javelins
- 6 new 400g training javelins for use at the U12 and U13 coaching camp
- 4 new starting guns
- Scales with 1g increments to allow in-house field equipment specifications to be completed
- An Electronic Distance Measurement device and laptop to assist with field measurements.

Upgrading the Little Athletics van has also been a welcome addition to ensure the equipment continues to be transported safely around the state.

Going forward, it has been identified that the starting blocks and hurdles are starting to show their age and I will be looking at options to upgrade this equipment in the future during my second year in the role of Technical Director.

Speaking of hurdles, all clubs are reminded that from the start of the 2019 / 2020 season all hurdles at all Centres / Clubs must be transitioned to the collapsible type of hurdle by 2020 (previously either collapsible or fixed leg hurdles were permitted).

This year also marks the compulsory specifications of scissor mats. Scissor mats at all competition levels and in all Affiliated Associations must be between 150mm and **300mm** with minimum dimensions of 5m x 3m (previously the height of scissor mats was between 150mm & 200mm).

I remind Centres to consider our preferred supplier, Nordic Sport when ordering equipment. Given the changes to some age group implements last year, we do not anticipate any additional change to implement specification for 2019 / 2020.

Hopefully, Coles will continue to offer grants to clubs for the purchase of equipment. Many centres have used the opportunity during the year to upgrade / purchase their scissor mats and new hurdles. Some centres have even begun to explore the possibility of incorporating technology such as photo finish and new timing systems.

What a great time to be a little athlete in Tasmania!

Finally, thank you to all the volunteers across the state who regularly pitch in to assist with setting up the coaching clinics and state meets. You rock! Those shade tents just aren't designed to be a one person job. I also particularly thank and congratulate Brett Johnston who has gone above and beyond in terms of taking much of the responsibility as interim president for the year on top of his Competition Director duties.

I look forward to the 2019 / 2020 (Olympic year) and continuing to grow our great foundation sport.

[Technical Director](#)

## Competition Directors Report

In my role as Competition Director for the 2018-2019 season I participated in and carried out the following duties;

### CAMP

Was yet again a fantastic experience for all involved and I once again had great pleasure in attending again as a Coach and Admin Support. Congratulations to Garry House in his role as Camp Convenor for yet another successful camp.

### CROSS COUNTRY

Once again we were unable to offer Cross Country in the North of the State due to a lack of an organising committee which is disappointing for those athletes wishing to participate. The event in the South continues to attract strong numbers and I would like to thank Paul Mommers for his continued work and dedication to ensure the event continues.

### SLAM

I co-ordinated a pre-season workshop for IMG and SLAM. This workshop was attended by 14 people representing 9 Centres. A big thank you to Michael Brideson for running the SLAM session and being a “SLAM expert” when required throughout the season and to Tracy for presenting the IMG session. Thanks must be extended to Peter McConnon who has designed this system, modified it to meet our requirements and provided ongoing support for a number of years at no cost to the athletes.

### AWD

We again successfully ran AWD events at our State Championships and it was very pleasing to have these athletes involved. Numbers increased from the two previous seasons which was great to see.

### ALLOCATION OF OFFICIALS AT STATE MEETS & MENTORING

Chief Officials and Track/Admin Positions were filled via nominations from Centres and Field Crews were allocated “pro rata” based on the number of entries from Centres (with allowance made for the number of Chief/Track/Admin Officials from each Centre). Where possible Centres were allocated specific sites to ensure that they only ever had one crew on duty at a time. Mentoring was again offered at Centre Challenges and All State Meetings.

This season we trialled the use of photo finish and Meet Manager results system which was successful, we will continue to explore options going forward.

### ONLINE ENTRIES

After trialling online entries last season for Multi Events we extended this to include State Individual Championships in the 2018-2019 season. While the current registration portal is sufficient for Multi Event entries, I found the system of entry less user-friendly for State Individual Championships where qualifying standards and supplementary entries are required. I have held discussions with SportsTG (IMG) about upgrading our registration system ahead of the new season and hope to see this implemented ahead of registrations opening in September.

Brett Johnstone

## Final Words

I'd like to sincerely thank my fellow Board Members Garry, Brett G, Kaelene and Stephen for everything they have done throughout the year. Also, thankyou to the LATas staff Tracy and Josh for all their efforts throughout the year. A massive thank you to everyone from the Centres that assisted in making all of our State Meets happen, particularly those SLAM operators and Special Events Co-ordinators that I constantly hassled for results/officials/equipment.

Brett Johnstone

## Administration

### ONLINE REGISTRATION PORTAL

We once again faced a number of problems with the online registration portal throughout the 2018-2019 season, largely due to losing our account manager Sarah Milroy who was a great source of help with technical issues. The computer generated usernames/passwords are problematic and adding to the difficulty this season the 'reset password' links were often expired when people tried to reset their password. In addition to creating a high number of calls/emails to the Office for assistance, it creates an unnecessary obstacle for those wishing to register.

In addition to the issues with logging in, Longford Districts were affected with Centre/Club fees not being charged despite showing up on all levels of the portal. This created problems for both the Centre and LATas Office with us having to rely on the honesty of members to pay the difference later in the season.

The current system used is called IMG 'Classic' and is outdated technology in today's world. In 2018 we were advised there would be a new registration & events platform available called 'Game Day'. I participated in two online webinar training sessions in April/October 2018 for this new portal, but the latest advice from SportsTG is that there is still some minor issues to be resolved before Game Day will be available. An alternative option to the current portal is 'OST' which is the later version of Classic. OST is much more user-friendly in that it uses email addresses as usernames and people can set their own passwords. OST is also easier for event registration in both setting up and front end entry.

I have advised SportsTG that upgrading the portal will be a priority on Monday following Conference with the aim to have a new portal available to Centres mid-August with the aim of opening registrations on the 1<sup>st</sup> September.

### TICKET TO PLAY

In 2018 the Department of Community, Sport & Recreation contacted LATas about participating in a pilot program for a new initiative called Ticket to Play. Ticket to Play offers \$100.00 vouchers for each child of families who hold Health Care cards to contribute to the cost of sporting memberships.

As with any pilot program there was some teething issues with how the vouchers would be processed for payment as the program launched after most participants had registered for the season. Initially Centres forwarded vouchers details to LATas who in turn invoiced CS&R and forwarded the payments to Centres to refund to families. Now the program is established there will be an option for families to include their voucher number when registering which will reduce the cost by the value of the voucher (currently \$100.00). LATas will then invoice CS&R for the value of the vouchers and send the Centre/Club portion to the Centres with no refunding of families required.

Vouchers for the current program must be used by the 30<sup>th</sup> November 2019.

Our sincere thanks to both Claremont and Longford Districts Centres for participating in the pilot program. The extra communication required between families & the LATas Office was time consuming for those acting in volunteer roles and your time dedicated to trialling the program was greatly appreciated.

### MYOB

We have completed our first financial year using MYOB with no issues to report. Invoicing and receipting is a far more streamlined process. On 1<sup>st</sup> July 2019 the Australian Taxation Office requires us to use Single Touch Payroll as a reporting method. This has been set up and we will be compliant as required.

## WEBSITE

Moving to the new website was delayed nationally until 2019. Due to circumstances changing within LATas early in 2019 I was unable to complete work required to changeover in February when LAQ and LAWA moved to the new website. LATas, LANSW, LAVic and LASA are still using the older version. I have completed uploading all the information to the new website to run and am waiting for the host to switch us over.

## LIVE CALENDAR

In 2018 LATas investigated the use of a live calendar for all areas of operations. The calendar will allow Centres to update their events using a unique log in which will be allocated for each Centre. Centres will be able to view all calendars but only modify their own. Each Centre will be represented by a colour so each entry for that Centre is easily identified. Events entered can be shared via email and Facebook so any changes made can be easily sent to members.

The calendar did not display well on the current website but will be embedded on the front page of the new website allowing people seeking events to easily locate them. JPEG files for the LATas Guideline Programs will be available for Centres who use them to load, those Centres who run their own programs can either create their own files for uploading or send to the Office and we can create them for you.

The calendar will also act as the Centre Administration Calendar which will be managed by the LATas Board and Office. Dates relating to event entries and Centre requirement will be uploaded to the calendar which can be viewed by Centres but not the general public.

In closing I would like to thank all Centres for their assistance and understanding, particularly in the second half of the season. Your prompt responses to queries and patience during the busy periods has been greatly appreciated. I look forward to working with you all in the 2019-2020 season.

Tracy Canham

## Development Officers Report

### LITTLE ATHLETICS PROGRAM FOR SCHOOLS

Last year 4585 students were visited across 18 schools and out of those 4585, 787 were visited again as I believe multiple visits leave a more lasting impression on students. This year the plan is to visit schools multiple times to give the students a real opportunity to try out our sport and leave that lasting impression.

We have recently started doing Sporting Schools as another way to increase our reach and get into more schools. The positive of doing Sporting Schools is that we get to do multiple visits which can span over 4 weeks or more on occasions.

### Regional Coaching Clinics

Last year our regional coaching clinics had small turn outs but for the people who did come along, I received much positive feedback. To improve our numbers at these clinics we will look at more promotions in schools and advertising through social media.

Coaching Clinics were offered in the school holidays for athletes who were a part of the age group alignment. I had to cancel one clinic due to no registrations and the other two clinics only had a total of 3 and 5 across the day. Although the coaching groups were small, it allowed the athletes that came along to get extra attention and possibly take a lot more out of the sessions.

### Regional Coaching Clinics

We had 3 volunteer centres who participated in the trial of On Track, a skill development program aimed at the younger age groups.

Feedback nationwide on this trial was very positive and LAA are looking to make a few tweaks to how it is delivered before considering a nationwide roll out of the program.

### ITC Courses

Last year we had to cancel all of our ITC courses due to no interested or lack thereof. As I stated last year, LAA are reviewing the way

in which this course is delivered which could see the course potentially be broken down into run, jumps and throws categories which will be delivered in 2 hour blocks, allowing more flexibility in how the course is run, whether that be 3x2hr sessions in the evening over the course of a couple of weeks or perhaps one person can come along for the jumps portion of the course and later complete the run and throw components when they have more time.

### The Future

Looking forward I am going to focus on getting into more schools and into the community in an attempt to boost numbers this season. I already have a number of events to attend this year that we haven't had an opportunity to attend before while also taking a look into the AWD sector as this is an area where we need to do more work.

Once the season starts I would like to work on retaining the athletes we do have through numerous coaching clinics across the state using the school holiday period to our advantage to run these.

There will be a more proactive focus, with more centre visits this coming season and ongoing support for the centres, parents and athletes where needed.

Josh Mason

Development Officer

The 2019 McDonalds Coaching Camp for U12 and U13 Athletes and those U14's that were effected by the age group changes was once again held at Camp Banksia at Port Sorell from the 6th January to the 10th January.

We were extremely lucky to have McDonalds sponsor the Camp which enabled us to reduce the fees by some \$40 per athlete

We had 80 athletes attend camp. Whilst this was over the magical max of 72 we were, for the second year in row had an additional hut for girls

Athletes participated in 4 key coaching events of their choice, together with warm-ups twice a day, sprint drills, competition events, Hurdles, 100m Handicap and the Team Challenge.

Summary of their achievements on competition day

|         |     |
|---------|-----|
| 100m    | 26  |
| Hurdles | 52  |
| Field   | 90  |
| Total   | 168 |

We also had 11 equal PB's

Apart from the obvious athletic events, athletes participated in a hut competition and points were awarded (or lost) for such things as tidy huts, wearing hats in the dining room, behaviour, sports hall competition etc. The winning team received a sports voucher

Camp would not have been successful without parent and coaches participation.

I wish to thank the following people for giving up their time to assist at Camp.

Roger Hosie, Paula Brown, Brett Johnstone, Wim Vaessen, Melinda Brown, Brett Gillow, Josh Mason Anna Davie, David Anderson, Scott Hills, Selena Hagan, Mel Wilcox, Judy Richards, Nigel freestone, Rachel Buck, Melissa Hay, Dominic Howe, Justin Jones, Natalie Zegveld, Marty Doyle, Aaron Brown Karen Witt, Stephen Ahern and Tracy Canham

A special thanks to Josh Mason for his work in allocating athletes to their coaching sessions, not an easy task

To Paula Brown who arranged collection and delivery of the line marker from the Devonport City Council, I thank you.

Thanks to Devonport Centre for the loan of their High Jump gear.

Feedback from parents and athletes was extremely positive, and as usual we will take responses into consideration for future camps. There is already planned changes to increase the number of events to 5 and reduce the time per coaching event

For those parents contemplating sending their child to the 2020 Camp, please send in the forms well before the closing date. Remember we need Coaches and Parents to ensure that our camps continue. It is a great 5 days, and extremely enjoyable by all. Apart from athletes making friends, parents also have a great time. (if you require a form, they will be on the website in August.)

Centres please ensure that new athletes receive the camp documentation as soon as possible, it was obvious once again that some Centres did not.

## FAST TRACK

The Fast Track Squad was once again offered for the 2018-2019 season with 28 athletes in total accepted for the program, our largest group to date.

The squad is designed to provide quality coaching and active participation in athletics. A particular focus will be relays and baton changing. The aim was to get the ALACs 2019 team well versed in relays so we maximise our result and points in the 4x100m relay.

Training for the Fast Track Squad took place at the Regional Coaching Clinics in September, prior to the two All State Meets with a final training session held at the U12/13 Coaching Camp at Port Sorell in January.

It was pleasing to see the commitment from athletes selected this year with almost all attending each training session offered.

The athletes in this year's group were the strongest we have had in the program to date and selecting relay teams would always prove difficult for the State Team Managers. In the end the teams selected performed admirably with the U13 Boy's 1000m Medley Relay picking up a Bronze.

U13 Boys 4 x 100m - 5th 50.49

1) Lucas SULLIVAN 2) Nathaniel SULZBERGER  
3) Lachlan COLGRAVE 4) Harrison MCLEOD

U13 Boys 1000m Medley Relay - 3rd 2:23.46

1) Kaiser MYATT 2) Mac WILCOX  
3) Alex ZEGVELD 4) Tom WINKEL

U13 s4 x 100m – 6th 53.31

1) Ava JONES 2) Isabella DAVIE  
3) Shae NICHOLS 4) Chelsea SCOLYER

U13 Girls 1000m Medley Relay – 6th 2:39.55

1) Subi DALY 2) Delta WITT  
3) Jessica BRAY 4) Avalon FORBES

Roger Hosie

Fast Track Coordinator
