Tasmanian Little Athletics Association Inc. Presidents Welcome

Welcome to Little Athletics. To all our families, new or returning, I welcome you to the 2023/2024 season.

There has been a lot happening in the off season and our board and staff have been very busy.

We have farewelled Susan McLeod and Trish Reid as board directors and thank them for their dedication and hard work. We welcome Leo Cunha from South Launceston and Nat Luttrell from Burnie as new directors. We also welcome Jack Hale as a part time administration officer working alongside Teresa.

This season we celebrate the 50th anniversary of Little Athletics in Tasmania having started in Launceston in 1973 and from there having rapidly expanded throughout the State. I thank Julian Direen, the President of Huon Valley Little Athletics Centre, for the design of our 50th anniversary logo.

You will see some significant changes this year, so I strongly suggest you have a thorough read through this manual to appraise yourself of the changes. Some of these are in the name bib. We have gone to a new form of bib that can be printed out at your Centre when you register, this bib is pinned on and must be worn to compete. The award badges: i.e., Gold Star, 25 badge, red, blue, green PIA badges are no longer in use and have been replaced with Gold Standard and Silver Standard awards. These awards are tracked on-line and can be printed out if you so choose. The qualifying system for the State Individual Championships has also changed and will be based on the ranking system introduced last season.

The Coles Australian Little Athletics Championships (ALAC) has expanded to include U13's, U14's and U15 athletes with the method of qualification being made available on-line.

I welcome back our sponsors, Coles, The Tasmanian Government, McDonalds the RSM Group, and Cripps Master Baker. Our sponsors are very important to the running of Little Athletics in the state, and I encourage you to support them as you can.

Please, enjoy the season, make new friendships, and be your best.

Paul Mommers
President

The season of 2023-2024 marks the 50th anniversary of Little Athletics in Tasmania. Little Athletics commenced in the 1973/74 season in Launceston and would expand around the state in the years following. For the first 5 seasons Little Athletics operated in northern Tasmania, and it wasn't until the 1978/79 season that expansion to southern Tasmania occurred.

Little Athletics competition in Tasmania commenced in Launceston, with the inaugural meeting held in August 1973. The Launceston Little Athletics Centre was formed under the guidance of Mr. Les Capes, from Western Australia, who had been involved in Little Athletics in that State. In September 1973, an Annual General Meeting was held in Launceston, and the first 'Committee of Management' for Little Athletics in Tasmania was elected.

1973 - 1974 Committee

President - Mr. L. Capes
Secretary - Mrs. W. Gooding
Treasurer/Registrar - Mr. E. Holloway
Track and Field - Mr. L. Capes
Technical and Equipment - Mr. H. Llewellyn

Organiser of Officials - Mr. K. French

Clubs Liaison - Mr. M. Simmons
Arena Manager - Mr. L. Capes
Chief Track Referee - Mr. A. Willis
Chief Field Referee - Mr. F. Nott
Chief Track Marshall - Mr. E. Holloway

Little Athletics proved over the years to be very popular amongst Tasmanian children and would produce many great athletes who would go onto greater things within the Australian and international athletic and sporting community. There have been many notable athletes who represented Australia at Commonwealth and Olympic Games, as well as those leading successful careers in other sporting codes.

To mark this important occasion in Little Athletics Tasmania's history the Board of Management will be organising a gala celebration event at the end of the season. It will be an opportunity for the Little Athletics community to mix with VIPs, current and past officials, and former athletes.

If you have any stories or photos from the years gone by, we would love to hear from you. You can email us at: LATas50@taslittleathletics.com.au

Combined Event Scoring System

All combined events are currently calculated through ResultsHQ and are based on the athletes best trial for each event using a formula (not a points table).

Under 9 - Under 12 Athletes

- Since 2022-23 with the introduction of ResultsHQ for State events, Under 9 - Under 12 age groups have used the Little Athletics NSW formulas.
- These formulas are scaled by age and gender for State championships and may not be suitable for Centre combined events due to minimum standards which results in "0" points.
- There are no minimum points for an event.
- The NSW formulas are similar, but not exactly the same as points scored for events prior to season 2022-23 which used a points table system.

Under 13 - Under 15 Athletes

- These age groups use the standard IAAF formulas for Combined Events, these are the same formulas as used for men and women in World Athletics.
- LATas has used this calculation method for several years for these age groups for State championships.

Further information regarding the Combined Event Championships scoring system are available on the LATas website.

Entry Process

- Details of online entries will be sent to all eligible athletes in December 2023. Entry cost is \$25.00 per athlete to compete in the Championships.
- The entry process for Centres will involve the nomination and names of 'Complete Teams', and also the nomination of 'additional athletes' wishing to be entered in each gender/age group.
- A 'Complete Team' consists of a team of 4 (or 5 athletes if a reserve is named) from the same gender/age group.
- Centres can nominate multiple 'Complete Teams' per gender/age group.
- **Relay Championship entries for Centres close Sunday 4th February at midnight.**
- A 'Composite Team' (formed in accordance with this provision) consists of a team of 4 (or 5 athletes if a reserve is named) from the same gender but, if a Centre does not have enough available registered athletes in a specific age group to create a 'Complete Team', the Centre may use athletes from the next youngest age group to nominate a team.
- The 'Composite Team' will compete in the age group of the older age group athlete(s) in that team.
- Where a 'Complete Team' is also nominated in the original age group of such an athlete, the Centre must be able to demonstrate that the athlete competing in the older age group has reasonably been omitted from the team in his/her own age group.
- LATas reserves the right to refuse movement of athletes between age groups where it believes this is not the case.
- Each Centre is permitted to enter only one 'Composite Team', per gender/age group.
- An Under 8 athlete is not permitted to run in an Under 9 'Composite Team' for the 4x200m relay or Medley/Swedish relay.
- If an Under 10 athlete competes in an Under 11 'Composite Team', no athlete in that team will be permitted to wear spikes.
- If an Under 12 athlete competes in an Under 13 'Composite Team' Medley/Swedish or 4x200m relay, no athlete in that team will be permitted to wear spikes.
- Spikes can only be worn in a Medley/Swedish relay or the 4x200m relay by the Under 13 and up age groups.
- An 'additional athlete' is an athlete not named in a Centre 'Complete Team' or a Centre 'Composite Team' who wishes to run in a relay team and is happy to run with athletes from other Centres and committed to attending on the day.
- A 'Combined Team' is a team made up of additional athletes nominated by multiple Centres.
- The LATas Director responsible for Competition will be responsible for the creation of 'Combined Teams'.

State Relay Championships

- As much as possible athletes will be kept in Centre groupings.
- Whenever a choice is to be made, this will be by the random drawing of lots.
- All such teams shall be called 'Combined' and each athlete will compete in their own Centre uniforms.
- Once a 'Combined Team' is named, athletes named in the 'Combined Team' will not be released to substitute in, nor form another team in that event (e.g. 4x100m) in any age group unless such 'Combined Team' is unable to compete due to illness, unavailability or injury, or the combined team has sufficient athletes to still be able to compete in that event.
- At any time from the closing date for entries, up until 30 minutes before the schedules start time for heat or straight final, Centre Team Managers may substitute team members in the event of illness, injury or unavailability.
- Relative lack of form is not considered a reason for substitution.
- If the Centre does not have an available substitute, LATAs will attempt to fill the vacancy with an additional athlete up until 30 minutes before the scheduled start of the heat.
- Where teams nominate 5 athletes for an event, they may use any of these nominated athletes in the heats or finals.
- LATAs reserves the right to refuse the entry of or disqualify any team deemed to be in contravention of the Competition Rules.
- Any athlete not afforded the opportunity to run in a 4x100m relay on the day because they were either named as a reserve in a Centre Team or due to the unavailability of other team members, or a team has withdrawn due to lack of numbers, may be invited to run in an 'invitational relay' to be conducted at the conclusion of the Championship Events. Teams can be made with any combination of age/gender. No athlete is permitted to wear spikes for this event. No medals will be awarded for this event.

Field Relays

- Field relays will be offered for Under 8 - Under 15 athletes with teams of 4 doing one event each.
- The events for the field relay will be Discus, Shot Put, Javelin/Turbo Jav and Long Jump.
- The result of the field relay will be determined by each athletes' finishing position in each of their relay legs e.g. if an athlete finishes 1st in their event they will receive one point and so on.
- If two or more athletes tie for a placing after countback then the points awarded to each athlete will be the total points for that placing plus the points for any vacant placings as a result of that tie divided by the number of athletes involved in the tie (e.g. if two athletes tie for 3rd place then they will get $3 \text{ points} + 4 \text{ points} / 2 \text{ athletes} = 3.5 \text{ points each}$).
- If an athlete fails to record an attempt then that athlete will score the maximum points available for the event (e.g. if 8 in the event they will get 8 points).
- Teams will be ranked from lowest score to highest with the lowest overall score being the successful team.
- In the event of a tie a countback will occur. The 4 athletes' distances will be added together to come up with a total. The team with the higher total will be awarded the higher position. If still a tie, equal positions will be awarded.

Conduct of Events

- LATAs shall publish a preliminary schedule and lane allocations.
- There may be variations to this sequence to ensure adequate rest between heats and finals for those age groups requiring heats.
- Marshalling shall commence 20 minutes before the first event.
- Marshalling shall involve;
- Athletes will be called to the designated marshalling area.
- Each runner will be supplied with an identifying item, which will indicate the event and lane that they will run in.

State Relay Championships

- Runners will be grouped according to the leg that they will be running, and escorted to the relevant changeover point.
- Changeover officials will not require lists of lanes of athletes as the escorts/athletes arriving at the changeover point will have the information necessary for that event.
- In all relay heats and finals, three breaks will apply before disqualification.
- Change Marshals will carry white and orange/yellow flags.
- The Track Referee will be responsible for all disqualifications and will be the only official to carry a red flag.
- Heats will only be conducted when there are more than 8 teams for the 4x100m relays, and the 4x200m relays at the time of marshalling.
- Where heats are not required all lanes for the final shall be allocated by the drawing of lots.
- Where there are more than 8 teams in the Medley/Swedish Relays, heats will be run with placings determined on fastest times for those heats.
- The following teams shall progress to the final in the 4x100m and 4x200m relays;
 - 2 heats: 1st, 2nd and 3rd in each heat plus the next two fastest times
 - 3 heats: 1st and 2nd in each heat plus the next two fastest times
 - 4 or more heats: 1st in each heat with the remaining lanes filled by the next fastest times
- Where there is a tie in determining progression to the final based on times, the following steps will apply in order;
- If possible both teams shall progress through to the final.
- If there are insufficient lanes for both teams to progress, the higher placed team in their heat shall progress.
- If the tie still remains, a random process with equal probability (e.g. a coin toss) shall be used to determine progression.
- When official results are determined from the finals, all team members in attendance will receive medals if the team finishes 1st, 2nd or 3rd. The same will apply for ribbons for all other teams.
- State records can be broken by teams in either the heats or final.
- There will be no records for Field Relays but State Best Performances can be achieved in individual events.
- 'Composite Teams' are not eligible for Australian Best Performances.

Spikes

- In the 4x100m relays, only Under 11 - Under 15 athletes are permitted to wear spikes.
- If an Under 10 athlete competes in an Under 11 'Composite Team', no athlete in that team will be permitted to wear spikes.
- In 4x200m relays and Medley/Swedish relays, only athletes in the Under 13 - Under 15 teams may wear spikes.
- In an Under 12 athlete competes in an Under 13 'Composite Team' Medley/Swedish or 4x200m relay, no athlete in that team will be permitted to wear spikes.

Gold Star Awards

There are 4 categories of Star Awards: Sprints, Distance, Throws and Jumps.

To receive an award the athlete must achieve a 'Gold Standard' performance in TWO (2) events from an event category. Under 6 and Under 7 athletes will receive the Jumps Star if they achieve the Long Jump Standard on TWO occasions. Under 8 athletes will receive a Distance Star if they achieve the 400m Standard on TWO occasions.

Star Awards will be digital on the athletes achievement certificate available on the LATas website at the end of the season.

Silver Star Awards

To complement the Gold Star Awards and Gold Standards, Little Athletics Tasmania have also introduced a Silver Star Award and Silver Standards to provide another target for athletes to aim for. Distances and times for Silver Star represent approximately the top 50% of athletes.

Athletes achieving a Silver Standards performance will have this shown on the athletes achievement certificate available on the LATas website at the end of the season. To avoid confusion with Gold Standards, the Silver Standards Performances are published separately on the LATas website.

We Are Inclusive

We aim to provide fun, high quality and accessible opportunities through athletics to ensure all children can meaningfully participate in athletics, improve health, confidence and skills.

In 2022, Little Athletics Tasmania received funding to purchase much needed equipment to support athletes with disabilities in our community.

Thanks to the generous contribution of Active Tasmania and Hydro Tasmania, Little Athletes can now access Frame Runners, Racing Wheelchairs & Seated Throws Frames.

For further information regarding equipment or classification, please contact us - office@taslittleathletics.com.au

Little Athletics Tasmania wish to acknowledge the contribution of Active Tasmania and Hydro Tasmania.

Thank you for supporting our Tassie athletes.

LATas Sunsmart Policy

The health of participants is of primary concern to Little Athletics Tasmania. It is acknowledged that skin cancer is a major public health problem in Australia, with two out of every three people requiring treatment for some form of skin cancer in their lifetime. It is recognised that skin cancer is preventable and like any other medical condition, it is best dealt with by the application of preventative measures. While LATas will endeavour to assist in sun protection when at meetings, training and competition, it is accepted that ultimately, the responsibility is that of each individual and/or in the case of children - their parents or guardians.

- Where practical LATas will endeavour to schedule activities outside the hours of peak UV readings. Where this is not practical members are advised of the need for extra sun safety precautions during those hours (approximately 10.00am and 2.00pm).
- LATas will recommend Affiliated Centre's conform to "Tasmanian Cancer Fund Guidelines for Sun Safe Clothing" when choosing uniforms.
- Members will be encouraged to wear a hat/cap, which protects the face, ears, neck, shoulders and crown of the head while participating in Little Athletics activities.
- Members will be encouraged to wear shirts with sleeves and collars and to use broad spectrum 30+ sunscreen appropriately on exposed parts of their bodies.
- Affiliated Centre's will be encouraged to design uniforms, which incorporate shirts with sleeves and collars.
- LATas will recommend Affiliated Centre's specify materials with appropriate UV protection ratings when designing uniforms. (Sunburn will occur in about 5 hours through material rated at UPF 20; and about 8 hours for UPF 40.)
- LATas supports the use by its members of 100% UV protective sunglasses during LATas activities. It is also recommended these glasses have safety lenses.
- Maximum use will be made of existing natural shade.
- Where natural shade is not adequate LATas will endeavour to maximise the use of alternative shade facilities.
- When attending events at various localities controlled by other bodies, LATas will endeavour to provide suitable portable shade structures for its members.
- LATas will encourage Affiliated Centre's to adopt and promote similar Sun Safe Policies.
- LATas will endeavour to promote sun safety in a positive way, through newsletters, written literature and over the public address system.
- LATas will encourage all coaches, officials and members in prominent positions to act as strong role models in respect of sun safety practices.
- LATas Officers will regularly revise and upgrade sun protection measures as appropriate.
- LATas will endeavour to act in a sun safe manner when competing regionally, interstate or nationally.
- Affiliated Centre's will be advised that parents/guardians registering their child/children are to be:
 1. Shown the LATas Sun Safe Policy and encouraged to comply with it. A laminated copy is provided for all Centre's. This must be displayed at the registration area and;
 2. Encouraged to:
 - Purchase appropriate sun safe clothing including protective uniform clothing where available for their child's/children's usage.
 - Provide 30+ broad-spectrum sunscreen or zinc cream for their child/children.
 - Promote sun safe behaviour to their child/children.
 - Provide safety sunglasses, which filter 100% of UV for their child/children.

Welcome to all new and returning Little Athletics Families! We hope you have a thoroughly enjoyable season of Little Athletics with us!

If you are trying Little Athletics for the very first time, or are just after some reminders, you'll find some very useful information below. Throughout the season, important information is shared on our website and Facebook, so please find us there to stay up to date.

- The season runs October to March.
- Most of our meets are Saturday mornings, 8.30am – 11.30/12, held at Clarence High School, with the occasional weeknight twilight meet. The season calendar is included in this manual. There is no requirement to turn up to every meet, just come when you can.
- Our competition caters for children born 2018 (Under 6 age group) to 2009 (Under 15), with an activities-based Tiny Tot program for 3 and 4 year olds.
- Children must not be left without supervision. Any child left without a guardian will not be able to compete.
- Athletes compete in 4-5 events each meet, rotating through 3 different programs. Each program has a combination of runs, jumps and throws.
- In addition to our centre meets, Little Athletics Tasmania hold a number of State events at Hobart, Launceston and Penguin throughout the season. Some of these are free, some incur an addition cost but all are optional.
- Results are published to resultshq.com.au after each meet. (Personal log-in required.) Results are only available for registered athletes.
- Parent help is required at all events. Age groups are assigned a co-ordinator, but this is pretty much always a volunteer parent, and additional hands are always required. Many parents find this involvement rewarding, and not a chore at all.
- Uniform is compulsory. The maroon and white centre top can be purchased at our club rooms, paired up with plain black shorts and appropriate footwear. Other merchandise is available for purchase, but is optional.
- You can have your first two meets for free, but after that, you must sign up. We cannot offer refunds, so please take advantage of the two-week trial to be sure this is the right sport for your child and your family.

And if all of this is a little overwhelming, the best thing to do is to come along to one of our meets, listen out to your child's age group being called, and join in! Our committee, returning athletes and families will all gladly help anyone with questions, so that you can learn all the fun and rewards of Little Athletics!

Clarence Little Athletics Centre was delighted to have five athletes selected to represent Tasmania in the Under 13 State Team.

Congratulations to Jude Archer, Macy Devine, Jemima Geappen, Palepa Leuma and Paige Nowland. A special mention to Jemima who won gold in the Triple Jump and silver in the Long Jump. Well done, Jemima! 2023 also saw the introduction of an under 14 Individual Championship, with Clarence athlete Marz Kwa competing at this inaugural event.

Congratulations to these six athletes!

Clarence Little Athletics Centre Coles Community Round

Clarence Little Athletics Centre was extremely honoured to be visited by Little Athletics Australia Ambassador and Commonwealth Games Heptathlete Taneille Crase, Little Athletics Australia CEO Myles Foreman, Little Athletics Tasmania President Paul Mommers, Coles Eastlands Manager Rob Townsend, and Coles staff members at our Coles Community Round! Our kids listened very attentively to Taneille as she told them of her experiences of Little Athletics, how much she trains, and how much she loves it!

They asked her heaps of questions, then challenged her to some banana relay fun! Taneille helped at some field sites before we said goodbye, having had a great time, and a perfect chance to thank our local Coles store for all the bananas!

Clarence Little Athletics Centre Senior Athlete Leadership Program

In 2020-2021, Clarence Little Athletics Centre introduced the Under 13 Leadership Program, which, last season, was extended to include all senior athletes Under 13 to Under 15.

At 12 years and older, many of these athletes have had many years of competition, a level of maturity that can be relied upon, and well-developed athletic skills. Both the athletes and the centre benefit from this program. The athletes may be called upon when extra hands are required around the centre, in both skilled and unskilled areas, which in turn gives the athlete the opportunity to learn leadership and coaching skills.

To identify these leaders, CLAC introduced a Leadership warm up t-shirt. The shirts allow us as a centre to quickly identify the senior athletes when in need of help, and also empowers the athletes with a feeling that their centre respects them and trusts them in leadership positions.

In previous seasons, the leadership team have been called upon to help at the jump pit, coach new block starters, pack Coles gift bags and distribute them on the Coles Round day, ensure our Santa visit was orderly, assist with the Tiny Tots program and help with games during our Presentation Day. These athletes were also our first point of call to quickly get implements for AGCs, take messages from the canteen to our announcer in the tower and help in the canteen when volunteers were low.

This Program is reliant on athletes and parents from each of the U13, U14 and U15 age groups pursuing these opportunities, and we invite expressions of interest for the 2023-2024 season. Please email clarence@taslittleathletics.com.au for further information.

Clarence Little Athletics Centre Tiny Tots

Do you have a little person who is itching to be active? Would you like your family to make connections in your local community? Tiny Tots could be the answer!

Tiny Tots is a program run by Clarence Little Athletics Centre for children aged 3 and 4 (born 2019-2020) with a focus on developing Fundamental Movement Skills (or Gross Motor Skills) through play and engaging games. The physical, social, emotional and cognitive development of participants will be nurtured in a non-competitive environment through a wide variety of movement experiences and challenges.

Tiny Tots is also a great opportunity to engage with your child as parental involvement and encouragement is a vital component of the program.

The program will be co-ordinated by current CLAC parent and committee member, and ex-CLAC Little Athlete, Kim Moorcroft. She has previously taught PE in primary schools and is excited to welcome both existing and new families to Tiny Tot sessions in the 2023/2024 season.

Tiny Tot sessions will run on our Saturday morning home meets across October to March. Starting at 10am and running for approximately 40 minutes, Tiny Tots is a fantastic way to kick off the weekend with your little person!

Clarence Little Athletics Centre Uniform

Uniform is compulsory for all athletes, under 6 to under 15. Our uniform consists of a maroon and white polo or singlet, paired with plain black above-the-knee shorts, and running shoes. (Only athletes in age groups under 11 and older are allowed to wear spikes.)

Singlets and polos are available for purchase directly from the Centre, and can be bought before the start of our Saturday morning meets. We don't sell shorts or shoes, you are welcome to wear any suitable ones you have.

Other merchandise, including hoodies, caps, beanies and socks, are available for purchase, but these are optional.

Please note: uniform is not compulsory for our Tiny Tots, but many choose to wear it.

Please come find a friendly committee member in the change rooms prior to commencement of the meet to grab your uniform. Uniform sales will generally only be open for the first half hour or so of the meet, so we recommend coming early, and allowing yourself enough time before events get started. Up-to-date prices are kept with the uniform sales.
