Long Jump										
Triple Jump										
High Jump										

## **Rules of Competition**

Except where explicitly stated otherwise in this document, the LATas Rules of Competition, LATas By-Laws and LATas Guidelines for Officials will apply for this event.

## **Heats for Track Events**

Multiple heats will be conducted according to the number of entries in each age group. Athletes will be placed in heats according to their season PB with similar times in the same heat. Athletes without a recorded PB in the current season will be placed in heats at the discretion of the Meet Competition Director.

## **Uniform**

All athletes must wear their centre or club uniform for competition. This includes the LATas Name/Sponsor Bib and Coles Age Group Badge. Shorts/Compression shorts (above the knee) must be the same colour as centre/club uniform shorts and must be plain in colour. Logos must conform to LATas specifications. The badge placement guide is in your Information Manual. Full uniform information can be found in [LA Tas By-Laws page 29-30](#).

## **Centre Duties**

All Centre's are required to provide personnel to enable the scheduled events to be conducted. Your centre has supplied LA Tas with a list of people that they believe can fill all the key personnel duties of Officials, Track and Admin etc. If you are unable to fill your position it is up to you to contact your centre so they can find a replacement. Field Crews will be filled via volunteers on the day and parents are welcome and encouraged to fill those roles. We are looking this season to bolster our stocks of Field and Track Referees and Starters; full mentoring will be provided. If you would like to give any of these positions a go, please contact [z.patmore@taslittleathletics.com.au](mailto:z.patmore@taslittleathletics.com.au)

## **Mentoring**

If your centre has put your name forward to fill a duty and you are a little unsure, full mentoring will be provided if you let us know you want to be mentored. Likewise, if you have completed the LA Tas Practical Officials course and want to be accredited to State level for the event that you are officiating. If you are in any of the above 2 scenarios, please contact [z.patmore@taslittleathletics.com.au](mailto:z.patmore@taslittleathletics.com.au) so we can try to arrange mentors for you. There is no guarantee all requests can be met.

## **Announcements**

All events, officials and marshalling areas will be announced over the PA system approximately 15 minutes prior to the start of an event to allow marshalling and getting to site.

## **Marshalling Areas**

<b>Field Events</b>	Go to area beside the finishing line when called
<b>Track events</b>	Go to start line for every relevant event when called

## **Schedule**

Please note that the times on the Schedule provided are subject to change and should be **used as a guide only**. No event will commence before the allocated time unless LA Tas are certain that all athletes are on site.

## **iPads**

iPads will be the sole source of recording **ALL** results for all field events. If for some reason an athlete is not nominated in the iPad lists and has nominated for the event La Tas will provide a folder with blank sheets for the event to add in the missing athlete's results.

## **Startline Function**

This year LA Tas will be utilizing the Startline Function in ResultsHQ, for all track events run entirely in lanes. The process for this is, athletes will have their barcode scanned as they are marshalling for their event and for distance events they will be scanned as they finish. If an athlete does not have their name bib attached their track results may not be recorded. The scanning of the barcode's during marshalling or finishing is designed to improve the speed at which results can be produced.

## **Timing/Judging/Starting**

Photo Finish will be in operation at the Coles State Series for all track events. The speaker based starting system will be used with a cap gun system provided as backup. LA Tas will provide the check starter gun and starting caps.

## **Throws implements**

LA Tas will provide all throwing implements.

## **U7 Discus**

I would like to make all parents of U7 athletes aware that this age group will be doing their Discus events using the 3<sup>rd</sup> Shot Put circle, close to the 200m start. A portable cage will be erected for everyone's safety.

## **U13, U14, U15 Extra Trial (All field events except High Jump)**

In the Under 13, Under 14, and Under 15 age groups at State Championships and 'State Series' Meets, the top 8 competitors leading at the end of the third round shall be allowed another 1 trial each, in reverse order from 8<sup>th</sup> – 1st. In the event of a tie (after a count-back) for 8th place, any competitors so tying shall be allowed the 1 additional trial. (Tying means, in this case, achieving the same distance).

Where there are 8 competitors or fewer in the Under 13, Under 14, and Under 15 age groups, each competitor shall be allowed 4 trials regardless of the number of fouls recorded.

## **Race Walks (Post race)**

Athletes are to remain at the finish line until disqualifications are announced (if any). Failure to do so will void the athlete's ability to protest.

## **ALAC 2024 Information**

ALAC 2024 Information will be available for all U13/U14/U15 athletes that are interested in the Admin area throughout the day.

## **Smoking Policy**

Centres and families are advised that the designated smoking area at the Domain Athletics Centre is outside the main gate. Everyone is urged to co-operate to ensure no embarrassment is caused to any individual. All parents should be reminded that smoking inside the competition arena is prohibited by law as well as under the LA Tas Smoking Policy.

## **Shoes (Officials)**

All officials that are officiating in any capacity are required to wear appropriate footwear unless given an exemption by the Meet Competition Director.

## **Toilets**

Centres and families are reminded that toilets and change room areas are not play areas. Any athletes found in these areas acting in an inappropriate manner may face disciplinary action. It is recommended that young children are accompanied when utilising the toilet area.

## **Parents on site**

Please be aware that the only parents that will be allowed on site are those that have volunteered to form the crew for that particular site. If you aren't a crew member you will be asked to leave the site. Exceptions will be made for U6 and U7 groups where an extra helper may be required for crowd control purposes and for any registered Multi-class athlete that requires assistance.

## **Precautions**

Please always take due care around the surrounds of the grounds. As the tracks are on natural parklands, please be aware of snakes, jackjumpers, bees, wasps, plovers etc.

## **Further Information**

Further information can be obtained by contacting the LA Tas Competition Director, Zane Patmore on 0407 056 128 or [z.patmore@taslittleathletics.com.au](mailto:z.patmore@taslittleathletics.com.au).
