Rules of Competition

Except where explicitly stated otherwise in this document, the LATas Rules of Competition, LATas By-Laws and LATas Guidelines for Officials will apply. An extract from our Rules of Competition is located on Page 17 of your Information Manual and the full version is available on our website.

Uniform

All athletes must wear their Centre or club uniform for competition. This includes the LATas issued Name/Sponsor Bib and Coles Age Group Badge. Shorts/Compression shorts (above the knee) must be the same colour as Centre/club uniform shorts and must be plain in colour. Logos must conform to LATas specifications. The badge placement guide is in your Information Manual. Full uniform information can be found in [LA Tas By-Laws page 29-30](#). All parents have acknowledged this when nominating their athletes. If an athlete does not adhere to these rules they may be disqualified.

Spikes

All athletes/parents should familiarise themselves with the spike rules for their age group. Spike rules are covered on Page 10 of your Information Manual.

Under 13 to Under 15 athletes may use spikes in all track events (apart from Walks), Long Jump, Triple Jump, High Jump and Javelin.

Under 11 and Under 12 athletes may use spikes in Track events conducted entirely in lanes (400m or less), Long Jump, Triple Jump, High Jump or Javelin.

Under 8 to Under 10 athletes are not permitted to wear spikes.

For safety, spikes should not be worn around the venue or when walking to/from events unless protected by a suitable cover.

Athletes using spikes in fully laned events (400m or less) are required to use starting blocks.

iPads

iPads will be the sole source of recording **ALL** results for all field events. **No** athletes are permitted to enter on the day. Any athletes not listed on iPads should be directed to Admin. Chief Officials should check and upload results when returning to Admin.

Results

All results will be placed on the wall of the admin building for everyone to see. All field events will be live on <https://resultshq.com.au/login> soon after the event has finished. All track events will be live on <http://littleaths.utas.run/>. Track finals will also be placed on the wall and on <http://littleaths.utas.run/> as soon as they become available.

Marshalling Areas

A site map showing marshalling areas for each event will be posted on the LA Tas website and will be announced when the event is called. All track events will be marshalled at their starting point.

Timing/Judging

Photo finish will be in operation for the timing and judging of races. Races will be timed to the 100th of a second and in the case of a tie, these athletes will be timed to the 1,000th of a second to determine their placings, if possible.

Medal Presentations

Medal presentations will be attempted after an age group has finished a track event. The presentation will not be for that event but for events that have preceded it.

Throws Implements

LATas will provide all throwing implements. These have been checked to ensure they are all within specifications. Athletes are not permitted to provide their own implements.

Progression to Finals from Heats

In Track events with 2 heats, the first 3 athletes from each heat will progress to the final along with the next 2 fastest times.

In Track events with 3 heats, the first 2 athletes from each heat will progress to the final along with the next 2 fastest times.

Heat allocation and lane draws for heats

Athletes were ranked by their Personal Best times as received from Centres in ResultsHQ. For events with 2 heats, the top two ranked athletes were placed randomly in opposite heats, this process was repeated for 3rd/4th ranked athletes. 5th/6th ranked athletes and so on. For events with 3 heats, the process was the same except athletes were grouped into threes (ie 1st/2nd/3rd ranked athletes into separate heats at random, 4th/5th/6th into separate heats etc).

Lane draws for heats were randomly drawn.

Lane Draws for Finals (400m or less)

For events where heats are held, the 4 fastest athletes that qualify for the final will be randomly assigned to the middle lanes and the other 4 athletes will be randomly assigned to the outside lanes.

For events where heats were not required, the 4 fastest athletes (based on results received from Centres), have been allocated randomly to the middle lanes and the remaining athletes allocated randomly to the outside lanes.

For events with 8 or less competitors, the middle lanes are lanes 3, 4, 5 and 6.

For events with 9 or 10 competitors, the middle lanes are lanes 4, 5, 6 and 7.

Starting positions for 800m/1500m/Walks

Starting positions for these events were allocated randomly. The "Lane" indicated next to the athlete indicates their starting position on the track.

For 1500m and Race Walks, athletes will line up on the start line with "Lane 1" on the inside, then "Lane 2", "Lane 3" and so on. Where races contain more than 1 age group/gender, they will line up alternately (where possible) – e.g. Girl 1, Boy 1, Girl 2, Boy 2 etc.

For 800m, athletes drawn in Lanes 1 to 8 will start in those lanes and will start on the inside half of those lanes if sharing a lane with another athlete. Athletes drawn in Lanes 9 to 16 will start in the outside half of the lane, that is 8 less than their Lane draw number (i.e. Lane 9 starts in the outside half of Lane 1, Lane 10 starts in the outside half of Lane 2 etc.)

Event Start Times

Times published are the recommended start times for the events. LA Tas will endeavor to start the events at the times published. If in the case an event is to start earlier than the published time, the event will not start until LA Tas are satisfied that all athletes are present to begin. LA Tas reserve the right to alter the schedule as deemed necessary.

Field Event Order

Athletes have been listed to compete in Field Events in the reverse order of their Personal Best results (as received from ResultsHQ). The one exception to this is Triple Jump where athletes are listed in order according to the takeoff mark nominated (e.g. 5m/7m/9m).

Under 13-15 Field Events – 4th Trial

At the completion of the 3rd round of all Under 13-15 Field Events (with the exception of High Jump), the top 8 athletes will be entitled to a 4th trial. The Chief Official will work out the top 8 and get a Field Referee to verify. The 4th round will then be conducted based on the placings at the end of the 3rd round with 8th going first, then 7th and so on.

If there are 8 or less athletes in an Under 13-15 Field Event, then all athletes will be entitled to a 4th trial (even if they have 3 fouls).

Field Crews

Field crews will be allocated to Centres to provide volunteers for so we can have a neutral crew in place for field sites. Centres will be allocated crews on a percentage basis of how many athletes are competing overall. This can be limited also by your Centre providing good numbers of Chief Officials and key personnel for the weekend.

Smoking Policy

Centres and families are advised that the designated smoking area at the Domain Athletics Centre is outside the main gate. Everyone is urged to co-operate to ensure no embarrassment is caused to any individual. All parents should be reminded that smoking inside the competition arena is prohibited by law as well as under the LATas Smoking Policy.

Shoes (Officials)

Unless approved by the site Chief Official, spikers, sector judges and retrievers for all Field events should wear enclosed shoes. All other Officials should wear appropriate footwear unless given an exemption by the Competition Officer of the day.

Toilets

Centres are reminded that toilets and change room areas are not play areas. Any athletes found in these areas acting in an inappropriate manner may face disciplinary action. It is recommended that young children are accompanied when utilising the toilet area.

Protests

Notice of Protest shall in the first instant be made verbally to the Competition Officer. The written application must then be presented within 15 minutes of the posting or announcing of the result at the completion of the event. This application must be signed by a responsible Centre Official and must be accompanied by a \$50.00 cash fee. Each protest must include the name of the event upon which the protest is lodged and indicate the names of all involved in the incident. The relevant rule under which the protest is to be investigated must be stated. This should then be referred to the protest committee chairperson who will decide on the outcome of the protest after receiving information from Officials/Referees etc. that were involved. If you still disagree with the outcome, you have the right to appeal the decision where a formal protest committee will be called to deal with the protest. The fee may be forfeited if the protest is dismissed. Information regarding Protest procedure can be found on Page 4 and 5 of the [LATas Rules of Competition](#)

General Behaviour Reminder

Everyone is reminded that Little Athletics is for the athletes and is run by volunteers. If you have any concerns with an Official or with results, please come and see us in Admin, do not start yelling things out in the arena. The Little Athletics Tasmania Code of Behaviour is located on Page 33 of your Information Manual and I would urge all attendees to read over this. We are all human and we all make mistakes so please understand this. Also remember that this is Little Athletics, not the Olympics.

All the best to all athletes and thank you to everyone for assisting over the weekend.

Saturday 9th March 2024
